Albert Martin in his book, *The Forgotten Fear of God*, raises an important question. He asks, "Where have all the God-fearers gone?" The fear of the Lord is an important theme in the Old Testament and the New Testament. Despite its prevalence in Scripture, this core teaching has not always resulted in God-fearers. So, it is still appropriate to wonder about where are all of the God-fearers. In particular, where are the men who fear God.

The theme for the Los Angeles Bible Training School Men's Conference is "Men Who Fear God." The conference will be a wonderful opportunity to understand the biblical concept of fearing God as it relates to the love of God, the wisdom of God, and the omnipresence of God.

Dr. Alex Montoya will be the speaker for the plenary sessions. Seminars will be presented by Dr. Walter Augustine, Pastor Anthony Kidd, and Dr. Nam Park.

You can register by mail for \$15.00. Online registration is \$18.00.

See you at the conference! Make sure you bring other brothers with you in order that God might do a great work to increase the tribe of God-fearers.
